Why to participate in EPC 2018?

Platform

Get access to a Platform that works in the bridge between India and Germany. Showcase your startup to German and Indian investors, and you win cash-prizes.

Find Mentors Who Nurture

Get valuable feedback and incubation on your ideas and seek mentors with experience in both countries. Understand the Indian and German consumer behavior straight from the people who founded startups.

Learn the Jugaad. What Works

Learn what works in the Indian market. Seek advice from entrepreneurs and VCs and get a headstart on legal formalities. Know how to access talent for your venture in the Indian market.

About EPC

We want to explore ideas which can be translated from local to more global in social and technological context. Some examples for such a theme include – Digital Health, Clean Energy Concepts, Fintech, Data driven technologies, Online Censorship Technologies, Every day solutions. The pitch up competition will be live streamed across Heidelberg and Mumbai followed by rapid networking sessions. Audience will be a unique mixture of Government officials, Experienced Entrepreneurs, experts on Indo-German Segment, Startup Enthusiasts and Students. **An unique opportunity to view culturally sensitive startup community.**
