IGCC Founders' Day 2018

This year, the IGCC Founders' Day will be held on Wednesday, 23rd May 2018 in Mumbai, and will comprise a **Conference and the Founders' Day Lecture** on **"The Secrets of Germany's Economic Success"**.

The Conference will begin with a Welcome by the German Ambassador H.E. Dr. Martin Ney and the IGCC President Thomas Fuhrmann and include presentations on the German Mittelstand, Hidden Champions etc. as also Panel Discussions on: i) Vocational Training & Skilling for Success, ii) German Trade Fair Scenario, and iii) German Research and Development Setup. **The Founders' Day Lecture with the theme "How Germany Clicks"** will be given by Bernhard Steinruecke, Director General IGCC and World Speaker DIHK.

The Foreign Trade Association becomes amfori from January 2018

Building on 40 years of experience and taking into consideration the current fast-changing environment and the UN Agenda for Sustainable Development, the association has developed a bold long-term strategy to be future-fit, **Vision 2030**, and has evolved to amfori to support it.

amfori believes in a world where all trade delivers social, environmental and economic benefits for everyone. Its mission is to enable organisations to enhance human prosperity, use natural resources responsibly and drive open trade globally, what they call 'Trade with Purpose'. [Read more.](#)

German Biodiesel manufacturer is looking for Used Cooking Oil suppliers from India

A leading global manufacturer and provider of Biodiesel is looking for Used Cooking Oil suppliers from India. The company converts waste fats and oils into high quality renewable fuels and chemicals to meet growing global demand for cleaner products.

The German company would like to meet companies that have access to large quantities of Used Cooking Oil (UCO) - waste management companies, UCO collection companies in India. Indian companies who have the ability to collect and export large quantities of UCO to Europe would be preferred. They would also like to meet hotels/Namkeen and Fried Snacks manufacturers/Quick Service Restaurants that generate large amounts of Used Cooking Oil in India. The company would also like to establish a business relationship with distributors of Virgin/Fresh Cooking Oil who supply to large hotels, Quick Service Restaurants, Namkeen and Fried snacks manufacturers. **In case you are interested in the above enquiry, please write to anupama.narayan@indo-german.com** with a short profile of your company.

German Video Inspection Camera and Flue Gas Analyser manufacturing company looking for a distributor in India

A German company manufacturing video inspection cameras and flue gas analysers is looking for a distributor in India. Since their origin in 1932 the German company has relied on research, development and manufacturing made in Germany. The Industrial Emission Analyzer by the German company is a portable instrument designed to be used in tough industrial heat processes, such as boiler and burner testing, heat processes and engine testing. The new Inspection Camera by the German company is a simple, efficient and versatile video inspection system and offers a reliable solution to visually show what is going on in pipes, holes and machines – from blockages to leaks and cracks. The camera system is both compact and safely housed in a plastic case, making it easy to transport.

The German company is looking for a potential distributor for its products in India. The potential distributor should be able to import, sell and service these products in India. **In case you are interested in marketing the German company's products in India, please write to anupama.narayan@indo-german.com** with a short profile of your company.

German health care equipment company is looking for a distributor in India

One of the largest manufacturers worldwide of orthopedic supports, orthoses, insoles and medical compression stockings is looking for a potential distributor in India. The company has more than 85 years of

NEWSLETTER

medical expertise and helps people regain their mobility and wellbeing with its medical aids. The high-quality products are all "Made in Germany". Elite athletes around the world rely on it.

The potential distributor should be able to build up the brand, realize marketing activities and achieve defined sales targets. Support from the German headquarters will be provided. For the long-term success it is necessary to work close together with local doctors and therapists. Product trainings have to be carried out on a regular basis, in order to create awareness and convince potential clients of the benefits offered by the products. Preferable the distributor should already have an existing distribution network to orthopedic shops and specialized clinics. In case your company is interested in becoming a distributor of this company, **please send us a brief company profile to Ms. Shivani Chaturvedi at shivani@indo-german.com**

A reputed German company who is into designing and manufacturing of high-quality, high-performance dryer systems for glass, textile and graphic printing is looking out for a distributor in India. Products: Continuous dryers for low volumes up to mass production. Their machines dry classic screen printing colours or digital printing inks. One can achieve a high quality of T-shirts, ready-to-wear textiles, bags, jackets, caps, sportswear, transfers and flocked products. **Interested and relevant Indian companies can get in touch with Shrutika Joshi at shrutika.joshi@indo-german.com for more details**

A reputed German company which offers products for the DIY sector includes Power Tools, Garden Tools, Heating and Car Accessory is looking for a potential sole distribution partner in India. The main task of the Indian distribution partner is not only selling the products but also to provide after sales service to the end customers to be successful in a long run. The Indian partner will have to build up the brand of these products in India. The company is looking for a distribution partner who should be equipped with the following attributes as requirements to become a franchise partner:

- Financial capabilities to handle a sales turnover of over 1,5 Mio. € / Year (1 Mio € PU-Volume) and the commitment to reach this turnover within 4 years
- Offer After Sales Services
- Capability to build up the Brand: Showroom, webpage, etc.
- Being able to realize defined marketing activities, campaigns
- Employ at least one Product manager who is 100% committed and focused on their products

If an Indian company in the same field of services is interested in this inquiry, **kindly get in touch with Shrutika Joshi at shrutika.joshi@indo-german.com for more details.**

BERLIN Trade Fairs

IFA Berlin 2018, 31st Aug-5th September, 2018, Berlin, Germany

The leading international trade fair for consumer electronics & home appliances will open its doors once again in Berlin from 31st August to 5th September at the Berlin Exhibition Grounds.. IFA in Berlin presents the latest products and innovations in the heart of Europe’s most important regional market. In 2017, IFA ran to full capacity with more than 1800 exhibitors & attracted 253000 visitors - thus proving that it is the most important tradeshow for consumer electronics & home appliances. IFA is the **main meeting place for key retailers, buyers, and experts from the industry and the media**. As part of the IFA Bandwagon, Europe’s biggest sourcing market – IFA Global Markets will run from 2-5 September 2018 at the Station Berlin. It brings together OEMs and ODMs at one location in the heart of Berlin. Visitors can access both the main IFA & IFA Global Markets with the same entrance ticket. **Contact us for additional information on IFA or visit www.ifa-berlin.com**

InnoTrans 2018, 18-21 September, 2018, Berlin, Germany

The twelfth InnoTrans will take place from 18 to 21 September 2018. Organised by Messe Berlin, InnoTrans is the leading international trade fair for transport technology and takes place every two years in Berlin. The broad segments of this fair are Railway Technology, Railway Infrastructure, Public Transport, Interiors and Tunnel Construction. InnoTrans occupies all 41 halls available at Berlin Exhibition Grounds. A unique feature of InnoTrans is its outdoor and track display area, where everything from tank wagons to high-speed trains are displayed on 3500 metres of track. From India, leading component manufacturers & suppliers to Indian Railways are showcasing their products at InnoTrans 2018. Visitors can access round-the-year information on exhibitors & their products on the VMP (Virtual Market Place). The Indo-German Chamber of Commerce is working on an exclusive Business Delegation to InnoTrans this year. The programme will feature scheduled meetings with companies, site visits, exhibition tour, logistic arrangements & value add-ons. A more detailed itinerary will follow shortly. Interested participants may contact us at the earliest.

3. CII Agro Tech 2018, 1- 4 December, 2018: Parade Ground, Chandigarh, India

The 13th edition of the biennial event, CII Agro Tech will take place from 1-4 December, 2018 and is organized by the Confederation of Indian Industry (CII). This fair works as an ideal interaction platform between the Farm Producers and the Agro Industry. CII Agro Tech is the umbrella brand for several focused concurrent shows that have evolved with changing situations; the main being agri inputs, farm machinery, food processing & management, livestock, farmer services etc. The event has been supported by the Ministries of Agriculture & Food Processing Industries, Government of India. For further information contact Ms. Shivani Chaturvedi at shivani@indo-german.com or call +91-11-47168821.

NEWSLETTER

IMTEX & Tooltech 2019 is from 24th – 30th January, 2019 at the Bangalore International Exhibition Centre (BIEC), Bangalore, India

The Indo-German Chamber of Commerce once again is organising a German group participation in association with Verein Deutscher Werkzeugmaschinenfabriken (VDW) along with Indian Machine Tools Manufacturers Association (IMTMA). A prominent location has been reserved for the German group participation which is the largest country pavilion at the show.

IMTEX is a flagship event for the Indian metal cutting industry. It is South and South East Asia's apex exhibition showcasing the latest trends as well as technological refinements from India and other global players. The mega event attracts visitors from a wide spectrum of manufacturing and ancillary industries including key decision and policy makers as well as industry captains who are keen to source latest technologies and manufacturing solutions for their product lines. **Book your space now. Contact Surjit Singh Suri at surjit.suri@indo-german.com.**
