Delegation visit to Germany: Bioenergy from biogenic residue and waste matter 20-24th May, 2019

The Indo-German Chamber of Commerce is organizing a delegation visit Germany from May 20th-24th, 2019 on the topic of Bioenergy from biogenic residue and waste matter, especially focusing on Biogas. The visit will include an information and networking event as well as site visits to flagship projects and innovative companies in the sphere of bioenergy. The visit will provide interested Indian companies an opportunity to gain comprehensive information about the German regulatory framework, latest technological development trends and to interact personally with German experts and companies. Further details about the programme are available at <https://indien.ahk.de/events/event-details/delegation-visit-to-germany-bioenergy-from-biogenic-residue-and-waste-matter/>

Workshop on Solar Heat for Industrial Processes (SHIP) in Bengaluru, 24th April and in Mumbai, 25th April 2019

The Indo-German Chamber of Commerce (IGCC) together with The Solar Thermal Federation of India (STFI) is organising workshops on Solar Heat for Industrial Processes (SHIP) in Mumbai and Bangalore. The workshops aims at sharing key findings that solar thermal is currently best suited for food processing, dairy processing, brewery and pharmaceutical industries where hot water requirement is up to 100 deg. C thus saving on fuel oil and electricity. For more event details please click on the following links:

Bangalore: <https://indien.ahk.de/events/event-details/workshop-on-solar-heat-for-industrial-processes-ship/>

Mumbai: <https://indien.ahk.de/events/event-details/workshop-on-solar-heat-for-industrial-processes-ship-1/>

Participation is free of charge; however prior registration is required.

To know more information kindly write to us on dipti.kanitkar@indo-german.com

Green Banking Alumni Conference, 26 April, 2019, Mumbai

In the aftermath of the successful trainings on Green Banking and Green Finance during the last years, the Renewables Academy AG (RENAC) in cooperation with IGCC will conduct an Alumni Conference open for all participants of the trainings. The Alumni Conference will not only serve to evaluate the trainings and the project that were realized, but will give perspectives of the Green Energy and Climate Finance market in India. Finally, it will serve as an opportunity to meet again or establish new business contacts.

For further information, please contact Sebastian Soenksen sebastian.soenksen@indo-german.com or call 022-66652123.
