IGCC SustainMarkets

Sustainability in India

"We must reform to transform. And reforming is a marathon, not a sprint."
– Narendra Modi

The IGCC is committed to help India implementing the United Nations Sustainable Development Goals (SDGs).

In order to reach the SDGs and its targets, all parts of the society need to join forces and commit to the transformation.

As the 3rd largest economy in the world with a strong growth rate, India’s role and influence is significant.
**Mission & Vision**
