Industrieverband Körperpflege- und Waschmittel e.v. (IKW) (www.ikw.org)

Mr Thomas Keiser, General Manager, Industrieverband Körperpflege- und Waschmittel e.v. (IKW)

The German Cosmetic, Toiletry, Perfumery and Detergent Association (IKW), with office in Frankfurt am Main, was set-up in 1968 and is today one of the highest-profile industry associations in Europe.

IKW supports, advises and represents the interests of more than 420 small, mid-sized and large companies from the fields of beauty and home care. The industry with approximately 500,000 associated jobs had a sales value of more than 18 billion EUR in the past year. The member companies cover about 95 percent of the market.

The products of the companies represented by IKW are used on an almost daily basis by every household. IKW satisfies the resulting need for information through its high readiness to engage in a dialogue with all stakeholders involved and hence strengthens the credibility of product-related communication concerning the use and safety of beauty and home care products.

The Association supports its members, through a comprehensive service at the implementation of regulations, for foreign trade shows and the processing of market data. It advises with diverse trainings, seminars, events and workshops as well as through written position papers and represents the member companies through an extensive package of PR and a far-reaching network.

SHAZAY

SHAZAY (spoken language: [sa:ʒei]) is an innovative and luxurious styling and care line for beautiful hair.

We only use Diamond-Filtered Water for our products to ensure an unique purity and incomparable richness in active ingredients which is especially pure and precious. Unlike conventionally used water it contains important minerals and trace elements. Also, it contains more active ingredients that clean and groom your hair perfectly. Every single treatment with SHAZAY should feel like retreating to your favorite spot to relax and spoil yourself. The products have been designed and produced exclusively in Germany to preserve the highest standards of quality, performance and care.

This luxurious hair care line is solely sold through a network of exclusive distribution partners to high-end professional hair artists, beauty institutes or spas and through them to their final customers.

By becoming an exclusive distribution partner in your geographic region, you get to benefit from several advantages: SHAZAY provides the best-in-class education for your team, savvy marketing and sales support, numerous on-point merchandising products and above all, the most innovative and luxurious care line for beautiful hair: SHAZAY!
